

# COCOMO Basket as featured in the Spring 2010 Issue of Just Patterns Magazine by Jennifer Rhodes

**Dimensions:** 10" wide x 5" high

*This basket is woven with chocolate brown dyed 7mmFO stakes and natural 3mmFO weavers. The triple twining is done in chocolate brown and royal blue. The color selection is up to you. It can easily be adapted to match your décor or your likes. Also looks nice with natural stakes and weavers.*

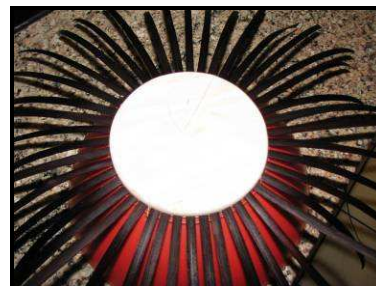

## Material List

7MM flat oval (stakes) – 10 yards  
#0 or #1 round reed (weavers) – 30 yards for triple twining  
3MM flat oval (weavers) 25 yards  
1/2" flat oval or Half Round (rim) 2 yards  
4 ply waxed linen (optional for lashing)  
Plastic bowl (optional)

### TRIPLE TWINING (Three-Rod Wale)

When you triple twine you begin with three separate weavers and start them next to three consecutive stakes. Taking the weaver on the *left*, begin by going over two stakes to the right and behind the third stake and back out to the front. Continue by taking the next weaver on the *left* and repeating the over two, behind one and out.
